Finally, this week we share some pathfinder memories from Ted Benson, Treasurer of the Pacific Union. From sleeping in tents made of old parachutes, to attending the Union Camporee in Lone Pine, near Mt. Whitney, these pathfinder memories represent the timeless joy of this ministry. On October 7, at the Union Camporee at Lake Skinner, the Pathfinder organization in the Pacific Union honored Benson with a special award citing their appreciation for his many years of service to the Pathfinder ministry of the Pacific Union.
