MUSIC TEACHER EXPANDS STUDENTS HORIZONS AT ALCA

Some of the most compelling stories we get to tell each week come from people who are using their talents to bless other people. A news crew from Las Vegas CBS Channel 8 recently showed their viewers how Edward Simanton, an Administrator at the University of Nevada Las Vegas, New School of Medicine is contributing to his community as the instrumental music teacher at Abundant Life Christian Academy.

Dr. Simanton, who plays over 30 wind, string and percussion instruments, and has taught music for more than three decades, now spends his lunch hour several days a week providing piano, flute, trumpet, clarinet, saxophone, and guitar lessons to community students. His students frequently provide special music selections during morning worship service at the Abundant Life SDA Church.

Colossians 3:23-24 “Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.”

Psalms 24: 1—“ The earth is the Lord’s, and everything in it, the world, and all who live in it.”

May we be mindful of how All God’s People have the opportunity to serve our Lord through every moment and every aspect of our lives.
