—Women’s Day of Prayer, March 7—

Tomorrow, Sabbath, March 7, is Women’s Day of Prayer, with the theme of “Virtuous Living in an Un-virtuous World.” The special day provides an opportunity for women to learn about each other and pray for one another. It’s a time to reunite with God and one another to strengthen spiritual bonds. Prayers for women everywhere create a spiritual network of empathy and understanding. Although the essential purpose of the day is for prayer, the day can also provide women with an opportunity to strengthen their ties with other Christian women as they pray together. friends, but during this special Day of Prayer let’s spend time praying for those we don’t know – government leaders, church leaders in our fields, the homeless, widows, suffering children everywhere, those being persecuted for their faith, the lonely, the abused... And know there is tremendous power in prayer.
