

Vallejo Drive Church Celebrates Graduates in Style

The Vallejo Drive church staff and friends got together on a recent Saturday afternoon for a drive-through celebration at the church's parking lot to acknowledge this year's graduates. Church members enthusiastically participated in decorating cars with colorful props and messages, and produced a fun video of the event with a shout out to each of the graduates. "Congratulations to all class of 2020 graduates!" the church shared on their social media. "May God bless you all on this milestone! You did it!!!"
